

Tube China 2023

Leading trade fair for the regional tube and pipe industry starts in Shanghai in June 2023

From 14 to 16 June 2023, the leading regional trade fair for tubes and pipes, **Tube China**, will be held in Shanghai. On display will be machinery and equipment for tube manufacturing, processing technologies, raw materials, tubes and accessories, pipeline and OCTG technology.

The organisers, Messe Düsseldorf Shanghai and MC-CCPIT, are increasingly focusing on trend themes such as green transformation and AI-based applications. Current solutions from the field of metallurgy are presented at Metallurgy China, which is held in parallel.

Visitors to Tube China come primarily from the automotive industry, the chemical industry, the oil and gas industry, the energy sector, aerospace technology and the construction industry.

Further information can be found on the internet portal at: www.tubechina.net
