15 – 19 April 2024

Hall 1  
1.A.47  
16 April 2024  
10:30 a.m.

After the successful premiere of the Tube ExpertenTreff in 2022, **Stahl-Kommunikation** will once again host a specialist event on **April 16, 2024**, the 2nd day of the international **Trade Fair Tube 2024**: The **Tube Convention 2024**, which will be held under the motto

### “The tube industry in the transformation process”

Internationally renowned and recognized industry experts will give lectures and discuss with the trade audience. **The Tube Convention 2024, which will take place in Hall 1 of Messe Düsseldorf, is scheduled to begin at 10.30 am.** Admission is free for visitors to the trade fair. You are cordially invited.

**At the same time, we would like to cordially invite interested companies to participate in the “Tube Convention 2024” with a technical contribution. In this case an informal accreditation is sufficient.**

#### See and be seen

That's what it's all about when you decide to exhibit at trade fairs. However, there is a lot of preparation involved in taking part in a trade fair: Booking exhibition space, developing a stand design, setting up and furnishing the stand, recruiting stand personnel, booking a hotel, etc... You are familiar with the procedure. But your efforts should also be worthwhile. **So draw the attention of trade fair visitors to your company and its products!**
